

**Calling all Scientists and Engineers!**

## **Bar-Ilan University Wants You!**

With the recent opening of our Institute for Nanotechnology and Faculty of Engineering, alongside our Brain Research Institute and Faculties of Life Sciences and Exact Sciences, Bar-Ilan University (Ramat Gan) announces new opportunities for faculty and students in Biology, Chemistry, Engineering, Neuroscience, and Physics. Research oriented candidates meeting the highest standards of academic excellence can apply for:

- tenure track appointments (with start-up packages) for outstanding faculty
- full graduate fellowships for superior students
